

The ScoreCard

KZN Scorer Roles and Responsibilities

It has been a while since we last circulated details of the main responsibilities associated with each of the scoring roles for matches played at Sahara Stadium Kingsmead.

We have acquired a few new members in recent years and it's also always good to refresh the memories of those of us who feel as if we've been around forever!

We will highlight a different role in each issue and this month it's the turn of the **Producer!**

Before the game:

1. Ensure that any new adverts and logos have been captured and checked. If unsure of a logo, ask Kathryn (KZNCU Marketing) to confirm that she is happy with the image to be displayed.
2. Liaise with the Dave Macleod (PA) to confirm any specific requests he (or we) may have.
3. Arrive at least 1½ hours before start of play for international matches (1 hour before for all other games).

During the game:

1. Display relevant match and player stats as milestones occur and wickets fall.
2. Display adverts and messages as agreed with KZNCU and CSA.
3. Print Duckworth Lewis immediately at the completion of the first innings of limited overs matches. Ensure that print-outs are delivered to the teams, umpires, press and broadcasters by yourself or an accredited individual (see below).

After the game:

1. Display closing messages.
2. Ensure that press scorers have all the necessary stats for the press.
3. Assist with copying and/or faxing of scoresheets, if required.
4. Shut down the computer.

CSA-issued Accreditation & Zone Access

If you have not yet received your accreditation for the 2011/2012 season, please contact Ali asap to make arrangements to collect it. Please also note that accreditation issued to KZN scorers grants them access to Zones 1-4 **only**. The zones are defined as follows:

- Zone 1 – Venue Access
- Zone 2 – Media Centre
- Zone 3 – Broadcasters Facilities
- Zone 4 – President Suite/Long Room

In addition to the above Zones, the following four KZN scorers **only** will also have access to Zone 6 (Players/Match Officials) for international matches: Leo, Ajit, Keith and Mongezi. This access has been granted in order to get team sheets, liaise with umpires, deliver Duckworth Lewis print-outs and scoresheets at the end of the match. Wherever possible, the same individual (preferably the Runner) should take on this responsibility for the entire match.

A Visitors Pass (issued by KZNCU) must also be used (with the accreditation) for to gain access to Zone 6. The above arrangement has been agreed with Cricket South Africa and **no** exceptions will be allowed! Any KZN scorer who does **not** adhere to the restrictions of their accreditation, may face disciplinary action.

EXTRAS

Sponsored Shirts

Please remember to get in touch with Ali know if you would like another black KZNCSA golf shirt for this season.

Comps

KZNCU have once again very kindly given us comps for **all** games played at Sahara Stadium Kingsmead.

Please contact Ali if you would like comps to any games, including the One-Day Cup matches starting this week.

Match Appointments & Contact Details

KZNCSA members are reminded that monthly appointments are circulated via email and if you do not confirm your availability to Wendy within 48 hours, she may replace you for the matches you were allocated.

Please also remember to forward any changes to your contact details, especially your email address/es, to Wendy.

Facebook & Twitter

Don't forget to support our favourite team on their Facebook page **Dolphins Cricket**, or follow them on Twitter **@SunfoilDolphins**.
